Exhibitor	Hall / Stand no.	Outdoor exhibition area / Block
VAT no.	Contact	
Street / P.O.Box	E-mail	
Country / Town / Postcode	Tel. with area code and ext.	Fax with area code and ext.

We herewith order – on behalf and by order of the above-mentioned main exhibitor. Orders on behalf of co-exhibitors are not possible.

Description of the appliances you wish to use:

The following instructions should be noted and followed in connection with the operating of ovens, grill appliances and other appliances for presentation or demonstration purposes:
Vapors and flue gas as well as exhaust fumes should be fed out of the exhibitor and/or hall areas in accordance with the relevant local regulations.

Gas-fed installations must be equipped on-site with quick-fit safety valves and/or fire safety valves.

Precautions should be made to ensure sprinkler systems do not overheat.

Please use forms 3.1 and 3.4 to order your power needs and connection points.

Quantity	Item no.	Description	EUR
	36961	Vapor extractor 200 – 300 mm incl. installation/dismantling, extractor fan	2,574.00
	36962	Flue gas extractor 200 mm incl. installation/dismantling. 6 m pipe made of V2A steel and heat-resistant extractor fan	3,038.00

Please supply us with the following information:

a) Diameter of appliance connection pipe:

cm

b) Extractor fan is built into appliance or will be supplied:

☐ **Yes** ☐ **No**

c) Outlet temperature: °C

d) Installation should occur:

m above the exhibition stand

We would ask you moreover to supply us with details of the nature of the given vapors, flue gas and/or exhaust fumes and to enclose the brochure sheets for the appliance concerned including the relevant technical data. We also require information on the output data of the fans supplied, the air capacity and the available pressure.

Additional materials and/or services will be invoiced as per requirements. The price does not include the cost of connecting the installation to the machinery.

We would be pleased to make you a separate offer for any other form of extraction required.

Any contract agreed exists exclusively between the exhibitor and the contracting company of Messe München GmbH (MMG). The specific terms of the contract are to be agreed between the exhibitor and MMG's contracting company.
