

**EXHIBITION SITE PLAN OF
THE SMARTER E EUROPE 2024**

inter solar
EUROPE

- A1** PV Cell and Module Manufacturers
- A2** PV Cell and Module Manufacturers | PV Production Technologies, Materials, Components and Accessories
- A3** PV Cell and Module Manufacturers
- A4** PV System Providers | PV Distributors | PV Products | PV Services | Solar Thermal Technologies | Off-Grid Power
- A5** PV System Providers | PV Distributors | PV Products | PV Services | Solar Thermal Technologies | Off-Grid Power | PV Mounting Systems | PV Tracking Systems
- A6** PV Mounting Systems | PV Tracking Systems
- B3** PV Inverters | PV Monitoring, Measurement & Control Technologies
- B4** PV Inverters | PV Monitoring, Measurement & Control Technologies
- C1** PV Inverters | PV System Providers | PV Distributors | PV Products | PV Services
- C4** PV Inverters | PV System Providers | PV Distributors | PV Products | PV Services | Solar Thermal Technologies
- C5** PV Inverters | PV System Providers | PV Distributors | PV Products | PV Services

ees
electrical energy storage

- B0** Energy Storage Systems
- B1** Energy Storage Systems
- B2** Energy Storage Systems | Battery Manufacturing Technologies, Components, Testing | Hydrogen, Power-to-Gas, Electrolyzers, Fuel Cells
- C1** Energy Storage Systems
- C2** Energy Storage Systems
- C3** Energy Storage Systems | Battery Manufacturing Technologies, Components, Testing

POWER DRIVE
EUROPE

- B6** Charging Technology and Infrastructure | Electric Mobility | Mobility Services | Solar Carports and Bikeports
- C6** Charging Technology and Infrastructure | Electric Mobility | Mobility Services | Solar Carports and Bikeports

EMPOWER
EUROPE

- B5** Smart Grid | Grid Infrastructure | Grid Management | RE Monitoring | Controlling | Grid Integration | Prosuming | Decentralized, Renewable Energy Supply | Energy, Load and Flexibility Management | Electricity Trading | Energy Services
- C5** Smart Grid | Grid Infrastructure | Grid Management | RE Monitoring | Controlling | Grid Integration | Prosuming | Decentralized, Renewable Energy Supply | Energy, Load and Flexibility Management | Electricity Trading | Energy Services | The smarter E Europe Start-up Area
