

# Worldwide Presence

[www.elpromgroup.com](http://www.elpromgroup.com)

**ELPROM**  
HEAVY INDUSTRIES

Your **trusted** partner  
for over **75 years**

A team of more than **270**  
**dedicated professionals**

**Certified testing**  
laboratory onsite

**30,700 m<sup>2</sup>** of  
production space

Transformers up to **250 MVA**  
Voltage up to **420 kV**

Delivered to more than  
**80 countries worldwide**

Transforming  
the world for  
a better future.  
**Together.**

Three-phase transformers and autotransformers

Three-phase generator step-up transformers

Single-phase transformers

Traction transformers

Since 1949, Elprom Heavy Industries has built a strong reputation in the design, production, and testing of high-quality power transformers for a wide range of industrial applications. With decades of experience and engineering expertise, we provide tailored solutions to meet the demanding needs of power generation, transmission, and distribution. Elprom Heavy Industries is committed to delivering reliable, efficient, and innovative products to customers worldwide.

**Design**

**Cores and coils**

**Metal welding workshop**

**Final assembly**

**Testing**

**Delivery and after-sales**

# One Group

Solution for every situation & every customer

**ELPROM**  
HEAVY INDUSTRIES

Transformers up to 250 MVA  
Voltage up to 420 kV

**ETD**  
ETD TRANSFORMÁTORŮ

Transformers up to 450 MVA  
Voltage up to 420 kV

**BEZ TRANSFORMÁTORŮ**  
MANUFACTURING TRANSFORMERS SINCE 1902

Transformers up to 25 MVA  
Voltage up to 35 kV
